REQUEST FOR ISSUANCE OF A CORRECTED PATENT

Attention Certificate of Corrections Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

The Inventor hereby requests that the Office issue a corrected patent, or alternatively issue a Certificate of Correction, to correct a mistake in the above referenced patent incurred through the prosecution of the patent. The issue fee was timely paid on April 16, 2009. Applicant however noticed that the assignee name cited on the patent (73) has a typo which occurred in June 13, 2005, date of the recordation of the assignment. The submitted cover sheet and assignment show the proper spelling of Assignee's name, i.e. AJOU UNIVERSITY INDUSTRY COOPERATION FOUNDATION (attached copy of document in APPENDIX A), however, the Notice of Recordation mailed on November 10, 2005 is showing the wording CORPORATION (instead of COOPERATION (see attached copy of Notice of Recordation in APPENDIX B)). A certificate of Correction (PTO/SB/44) is attached with this request.

Given the nature of the error (due to USPTO office mistake (clerical error)), the Applicant requests the issuance of a corrected patent in lieu of a Certificate of Correction for the following reasons:

1. The Assignee information is positioned at the front of the published patent and is the main information which will be quickly viewed by potential licensees/manufacturers, giving therefore a

"first impression" of the patent's general information. Or, in other words, the professional look of the patent is compromised.

2. Issuance of a certificate of Correction will place this important information at the end of the patent record in either the hard copy versions filed by class/sub-class in the various stack rooms of the Office or the on-line versions accessible through a number of Internet websites (e.g. www.uspto.gov).

Accordingly, the nature of the mistake is such that a mere Certificate of Correction is inappropriate.

Thank you for your cooperation and assistance.

Respectfully submitted,
